Patents

Any status - Issued patents - Applications Patents 1 - 8 on access control security electrical current voltage

Sort by relevance | Sort by date (new first) | Sort by date (old first)

Intelligent electronic device with assured data storage on powerdown

US Pat. 6745138 - Filed Aug 15, 2001 - Power Measurement, Ltd.

The security of access ('1') and no access ('0') is maintained in the enabling ... power management features may include data such as voltage and current ...

Apparatus and method for seamlessly upgrading the firmware of an intelligent ...

US Pat. 6813571 - Filed Aug 15, 2001 - Power Measurement, Ltd.

The security of access ('1') and no access ('0') is maintained in the enabling ... power management features may include data such as voltage and current ...

Expandable intelligent electronic device

US Pat. 6871150 - Filed Aug 15, 2001 - Power Measurement Ltd.

For example, a customer orders a device with only the base functionality of monitoring voltage, current and power, but later wishes to upgrade the device to ...

Method and system for master slave protocol communication in an intelligent ...

US Pat. 6792337 - Filed Dec 17, 2001 - Power Measurement Ltd.

The combination of these architecture for an electrical power ... 40 and/or control the portion of the power distribution system voltage or current, ...

[APPLICATION] Expandable intelligent electronic device

US Pat. App 9/931,145 - Filed Aug 15, 2001 - POWER MEASUREMENT, LTD.

5 also illustrates how the feature key 205 controls access to various ... device with only the base functionality of monitoring voltage, current and power, ...

[APPLICATION] Apparatus and method for seamlessly upgrading the firmware of an intelligent ...

US Pat. App 9/931,527 - Filed Aug 15, 2001 - POWER MEASUREMENT, LTD.

5 also illustrates how the feature key 205 controls access to various ... device with only the base functionality of monitoring voltage, current and power, ...

[APPLICATION] System for permitting access to an electronic device when the password is ...

US Pat. App 10/150,453 - Filed May 17, 2002

The security system will usually include both physical access protection and ... values against which the actual voltage and current conditions on the ...

Multi-featured power meter with feature key

US Pat. 7249265 - Filed Feb 23, 2001 - Power Measurement, Ltd.

The power 30 distribution network is the network of electrical ... it does not control access or change the capabilities of the computer hardware. ...

Stay up to date on these results using the patents RSS feed on access control security electrical current voltage current power "intelligent electronic device".
